## **TEMPORARY REGISTRATION**

Following the review and approval of qualifications, applicants are eligible to write the Canadian Dietetic Registration Examination (CDRE) as a final step towards registration in Alberta. Temporary registration with the College allows candidates to practice and use the protected title “Dietitian” until they have written the CDRE.

Temporary registration is granted from the date the application is approved to 8 weeks following the date of the examination. The temporary practice permit fee is \$236.25 and covers registration with the College for this period of time.

### **Supervision Requirement:**

Temporary registrants must be supervised by a Registered Dietitian (RD). The requirement is designed to address public safety by providing practice advice and support to individuals in the temporary category until all the requirements for registration with the College, including the Canadian Dietetic Registration Examination, have been completed and the individual becomes a full registrant with the College.

The Registered Dietitian who agrees to be a mentor and provide this supervision should be practicing in an area that is similar to that of the temporary registrant and should be able to undertake this role for the length of the temporary registration. Activity is to include regular weekly communication (in-person, telephone or electronic) between the Registered Dietitian and the temporary registrant to review practice, practice based issues and activities that have been undertaken during the week.

It is the responsibility of the temporary registrant to initiate the weekly communication. If for any reason it is not possible for the Registered Dietitian to continue to provide supervision, the College must be notified immediately by the temporary registrant and be provided with the name of another Registered Dietitian who will continue supervision.

The individual below has agreed to mentor and provide supervision to the applicant while registered with the College of Dietitians of Alberta in the temporary category in accordance with the above requirements.

## **INFORMATION ON LEGAL ACTIVITY**

To be eligible for registration with the College you must provide the following information in accordance with the College's Regulation under the *Health Professions Act*.

Submit an official Police Information Check, obtained for employment purposes, to confirm whether a search based on your name and birth date did or did not disclose a record of criminal convictions.

You may request a Police Information Check through the following:

1. SterlingBackcheck (direct link to MyBackCheck located on the College website) - complete an online request for an Enhanced Police Information Check. The MyBackCheck results must be dated within one year of your application.
2. You may also request a Police Information Check at your local city police detachment dated within one year of your application.
3. You may request a Criminal Record Check at your local RCMP or provincial police, dated within one year of your application.

The Police Information Check or Criminal Record Check must be submitted to the College prior to registration.

The purpose for this request is to enable the College to determine whether an applicant has a criminal record and, ultimately, whether there is cause for concern with respect to the safety of the public. If a search does disclose a criminal record, a previous criminal conviction does not automatically exclude you from registration with the College. If you have a criminal record, you must submit an original Summary of Convictions which specifies the date of the conviction, the nature of the conviction and the resultant disposition.

### **Please answer the following:**

Have you ever been found guilty of a criminal offence or an offence under the *Food and Drugs Act (Canada)* or the *Narcotic Control Act (Canada)* or the equivalent in any other jurisdiction?

Have you ever been found guilty or been denied registration due to unprofessional conduct, incompetence, negligence, or incapacity in Alberta or any other jurisdiction in relation to the practice of dietetics or of any other profession?

Are you the subject of any type of current proceedings for unprofessional conduct, incompetence, negligence, or incapacity in Alberta or any other jurisdiction in relation to the practice of dietetics or any other profession?

If you answered "yes" to any of the above questions, please provide details.
