ELIGIBILITY FOR REGISTRATION

You may be eligible for registration on the Courtesy Register if you are currently registered with another Canadian Dietetic Regulatory Body who is a signatory to a Labour Mobility Agreement with the College of Dietitians of Alberta and documentation can be provided indicating you meet the requirements for recognition under the Agreement.

You must remain registered with your primary regulatory body while you hold the Courtesy Registration with the College of Dietitians of Alberta. If you are registered with a Canadian Dietetic Regulatory Body who is not a signatory to an agreement you may be eligible for registration but further assessment may be required. Courtesy Registration does not allow for transfer to the General Register until a complete assessment has been undertaken by the College indicating all registration requirements have been met.

Courtesy Registration is issued for a minimum of 30 days to a maximum of 180 days.

INSTRUCTIONS

You may complete the application form electronically prior to printing a copy to sign and return to the College office. All sections of this form must be completed with mandatory fields appearing in red. Do not use abbreviations for hospitals, educational institutes, or organizations; provide the names in full.

Documentation must be in the form of originals or notarized copies sent directly from the issuing institution. Provide official documentation of a name change (ie. marriage certificate) if documents were issued under a different name.

An application form along with the required documentation and fees must be submitted before the application will be reviewed. Once a complete application has been received by the College your file will be referred for review. The College will contact you if additional information and documentation is required to complete the assessment.

The information in this application form is required by Regulation for registration with the College and all fields must be completed in full. Information provided in the application form or supporting documentation may be verified by the College.

Information provided is confidential unless the College is required to provide it under the *Health Professions Act*. The College may also be required to provide notarized copies of documentation to another dietetic regulatory body upon request as per the Labour Mobility Agreement. Please see the disclosure statement at the end of the application form under Declaration.
